### **Effects of Withdrawal**

If you withdraw from this contract, we shall reimburse to you all payments received from you, including the costs of delivery (with the exception of the supplementary costs resulting from your choice of a type of delivery other than the least expensive type of standard delivery offered by us), without undue delay and in any event not later than 14 days from the day on which we are informed about your decision to withdraw from this contract. We will carry out such reimbursement using the same means of payment as you used for the initial transaction, unless you have expressly agreed otherwise; in any event, you will not incur any fees as a result of such reimbursement.

Please note that we are not able to use the same means of payment in connection to your withdrawal from this contract if you used the payment method PaySafeCard or CommDoo for the initial transaction. In such event, we will reimburse you by using a different payment method.

If you requested to begin the performance of services during the withdrawal period, you shall pay us an amount which is in proportion to what has been provided until you have communicated us your withdrawal from this contract, in comparison with the full coverage of the contract.

With regard to the supply of digital content which is not supplied on a tangible medium, your right of withdrawal prematurely expires if the performance has begun with the consumer's prior express consent and his acknowledgment that he thereby loses his right of withdrawal.
